

BULLDOG

Shuley Horn 9H

Shuley Horn

To Shiley
a real nice, sweet
cute, loveable girl
who I love a lot.
Good Luck in the future. I
hope some day we'll be together
again for life. I know I have you
told you will get the Bachel. Good Luck in the
future. I still love you. Even tho you don't love me
any more for what I've done to you.

Love ya,
Kelley A.

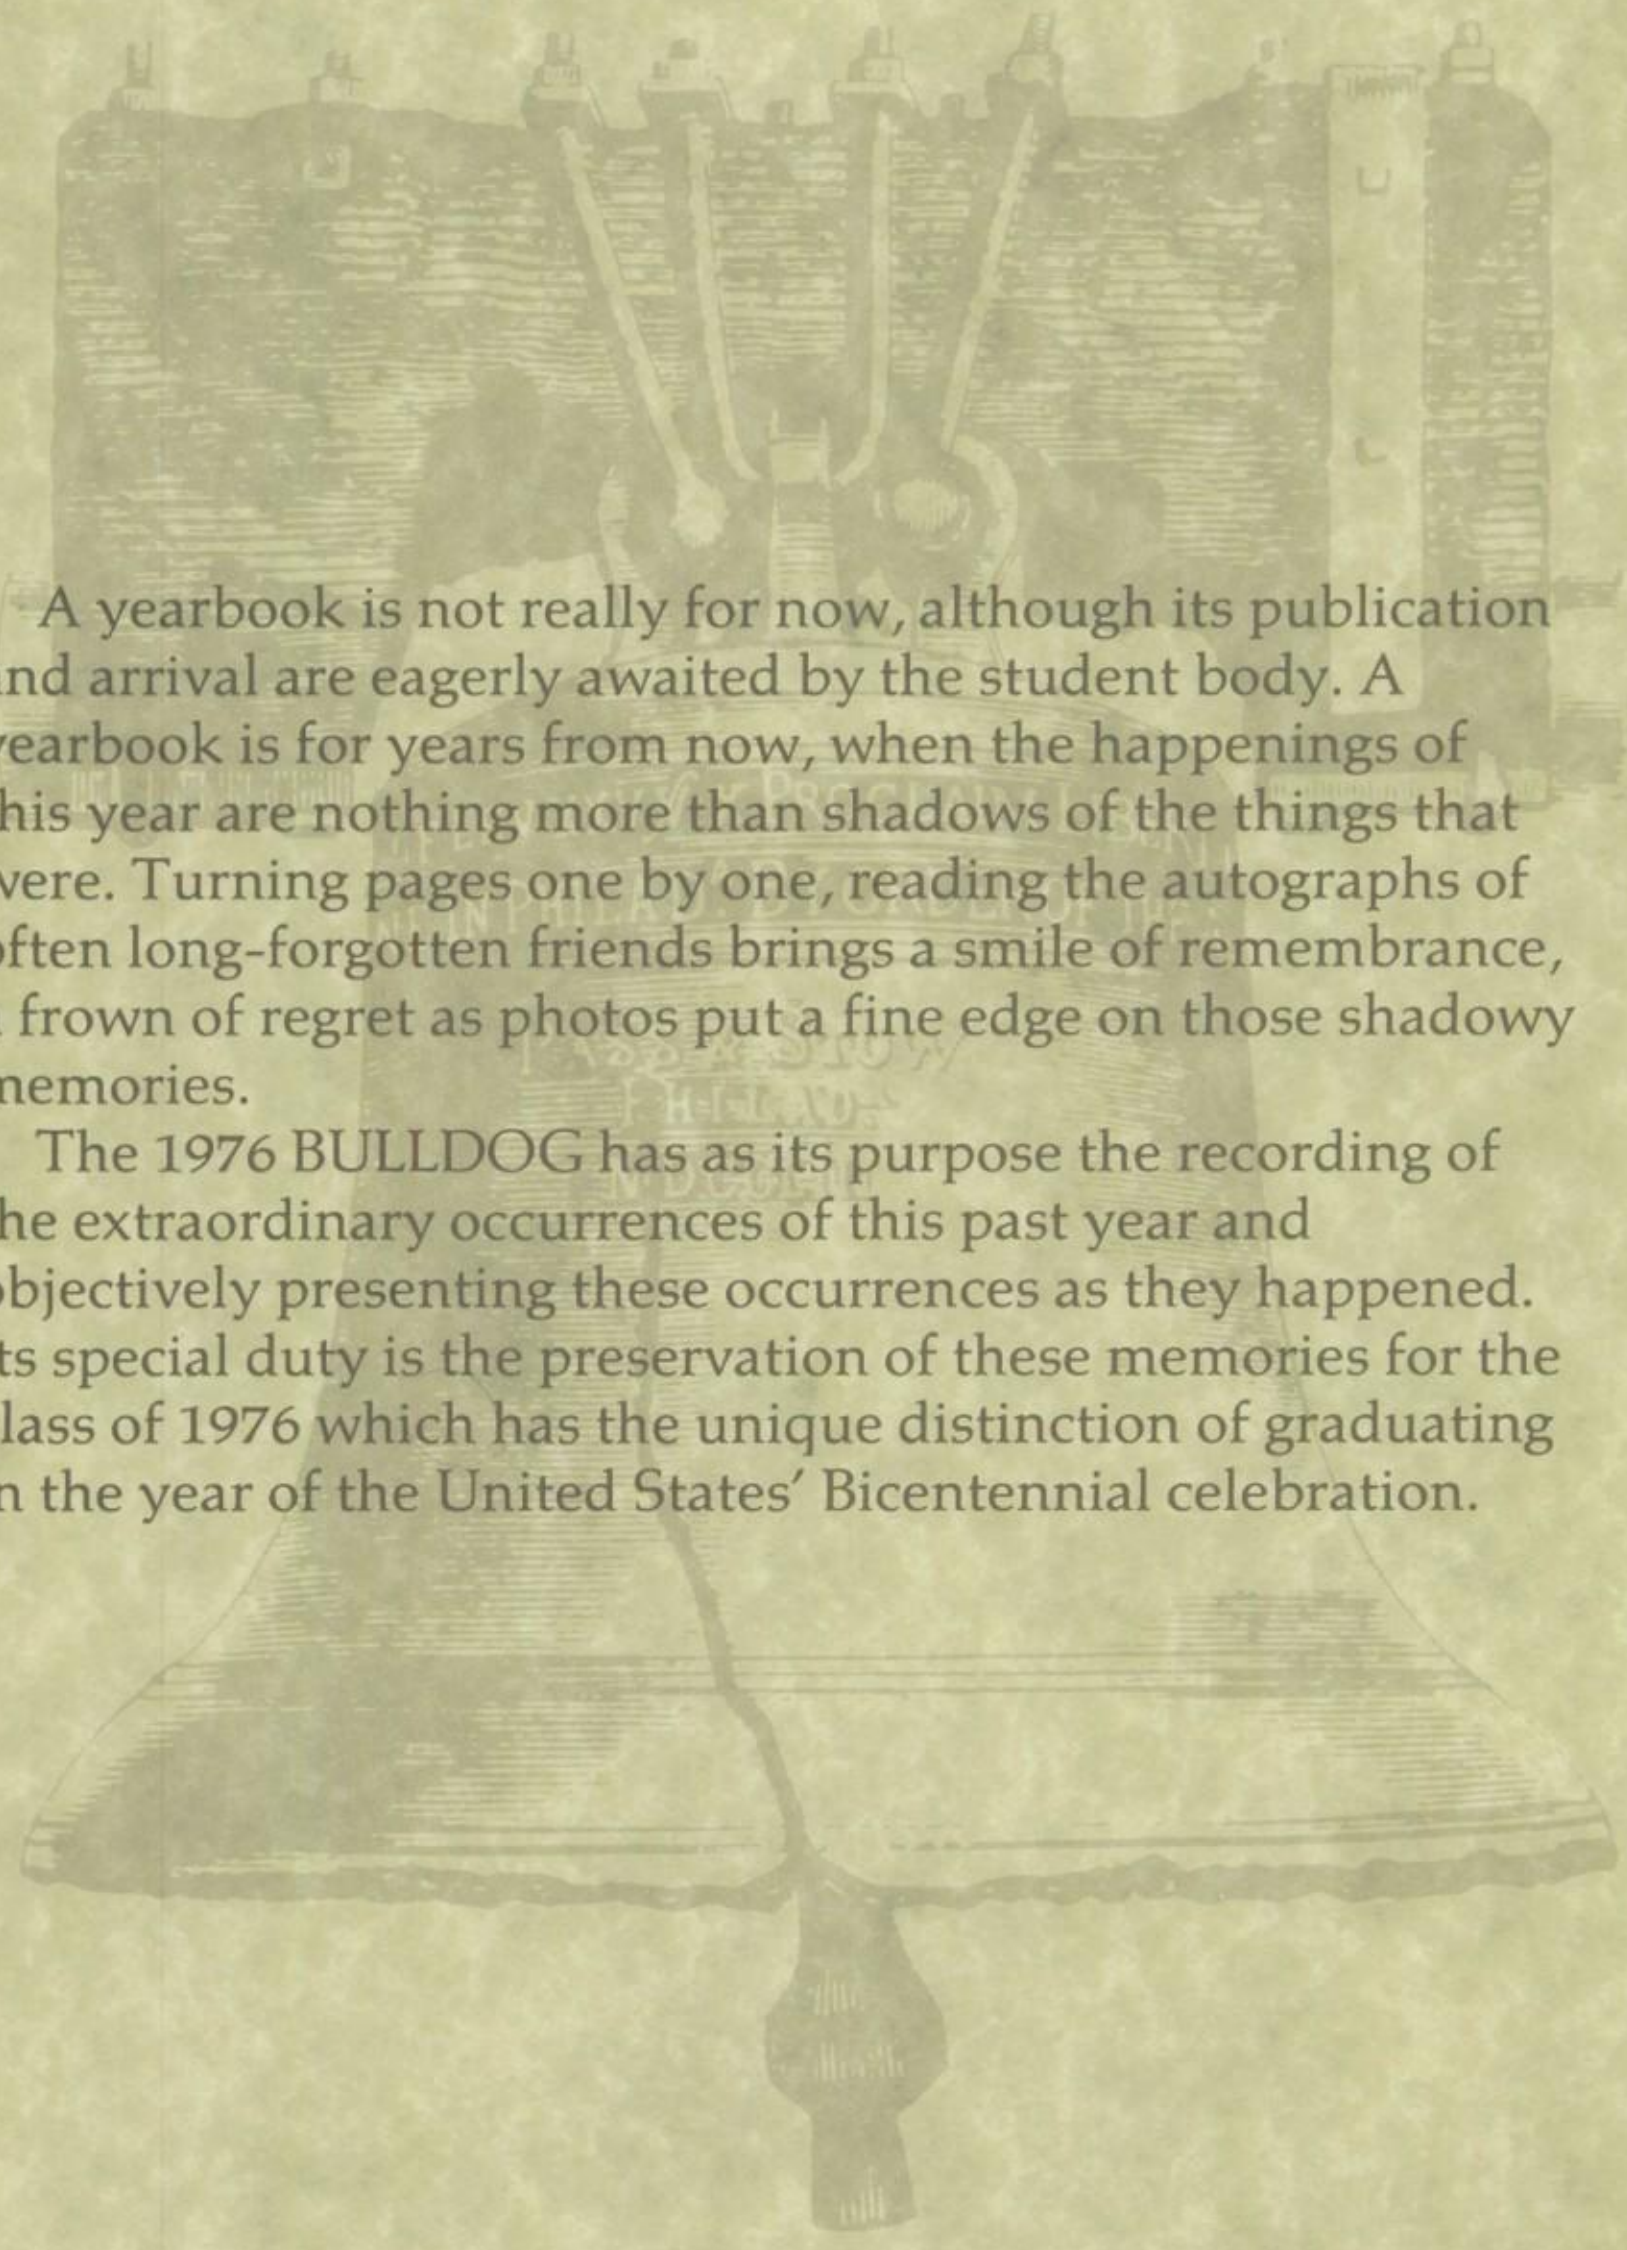

The

BULLDOG

Volume 17
Published by
Fairdale High School
1001 Fairdale Road
Fairdale, Kentucky

A yearbook is not really for now, although its publication and arrival are eagerly awaited by the student body. A yearbook is for years from now, when the happenings of this year are nothing more than shadows of the things that were. Turning pages one by one, reading the autographs of often long-forgotten friends brings a smile of remembrance, a frown of regret as photos put a fine edge on those shadowy memories.

The 1976 BULLDOG has as its purpose the recording of the extraordinary occurrences of this past year and objectively presenting these occurrences as they happened. Its special duty is the preservation of these memories for the class of 1976 which has the unique distinction of graduating in the year of the United States' Bicentennial celebration.

To Peggie Lyons . . .

- . . . a stranger to few of us, she began teaching at Fairdale the year we were seventh graders;
- . . . a teacher of many of us, she has interested us in a wide variety of English subjects;
- . . . a friend to all of us, she has given freely of her time both in and out of school to make this a memorable year for the class of 1976.

At seven months in Montrose, California . . . already a bulldog lover at four in Kettering, Ohio . . . a HAOLE fourth-grader at St. Anthony School in Honolulu, Hawaii . . . a sophomore at Kuba Saki Dependent High School, Naha, Okinawa.

Students boycott but teachers still have papers to grade . . . at Oxmoor with the Senior Favorites . . . with Dennis Priddy, one of many friends among the senior class . . . Mrs. Lyons and her "natural."

It is with gratitude, appreciation, and love that we, the class of 1976, dedicate the '76 BULLDOG to our teacher, our sponsor, but most of all, our friend . . .

. . . Mrs. Peggie Lyons

1976 at Fairdale . . .

. . . a year for busing . .

In the pre-dawn hours of September 4, 1975, Jefferson County Police tensely awaited the arrival of the buses which would bring about court-ordered desegregation at Fairdale High School. The eyes of the nation were focused upon us through the intense coverage of the various media.

Fairdale administrators, faculty, and students peered anxiously as the first bus arrived from Shawnee.

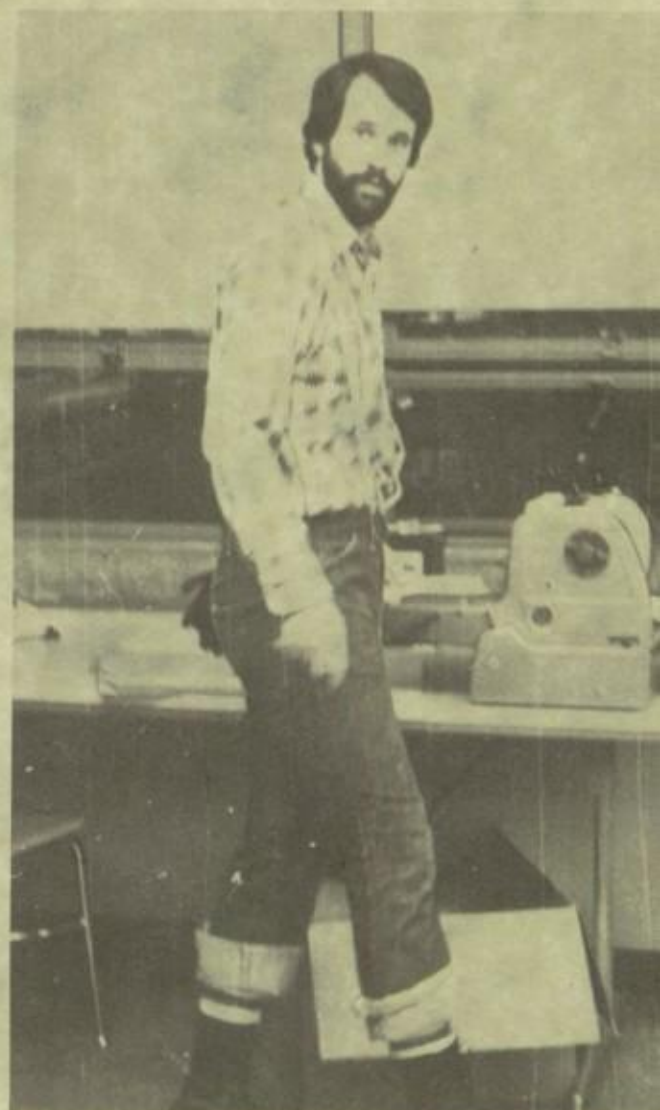

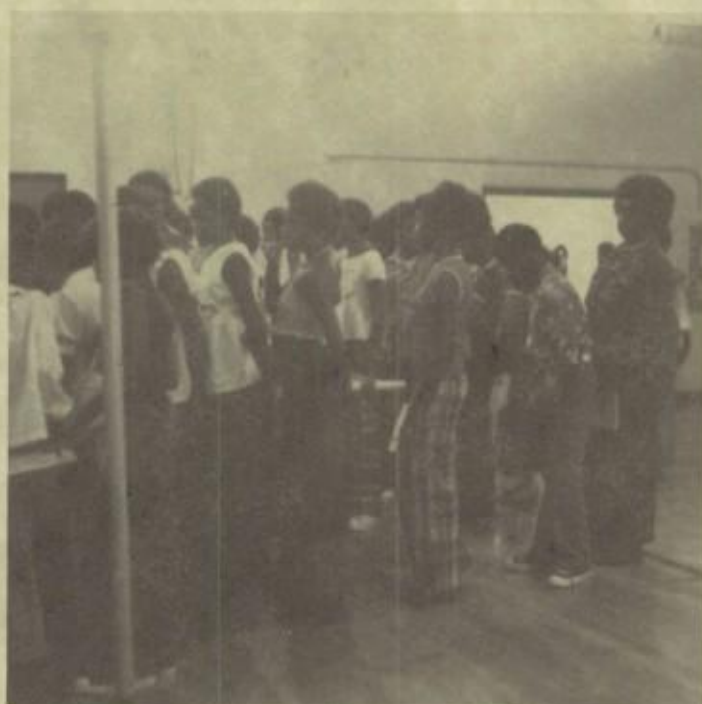

A boycott called by several groups of concerned parents cut school attendance drastically, leaving near vacant parking lots and unused buses. Empty classrooms gave teachers an opportunity to gather in the cafeteria while the voices of the few students who came echoed down empty halls. Outside the school groups of parents and students prodded passing cars to honk. As a result, Governor Julian Carroll paid a surprise visit to Fairdale to get a first-hand report from students and teachers.

. . . boycotting . . .

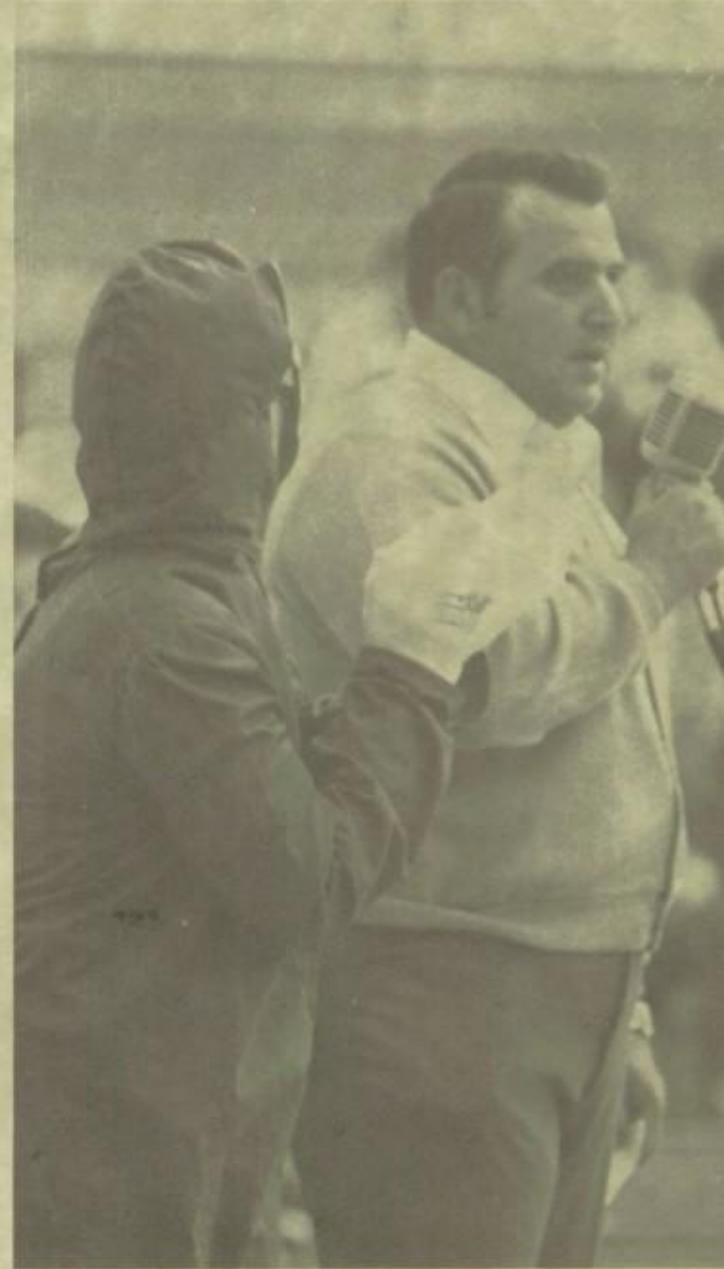

. . . a year for faces . . .

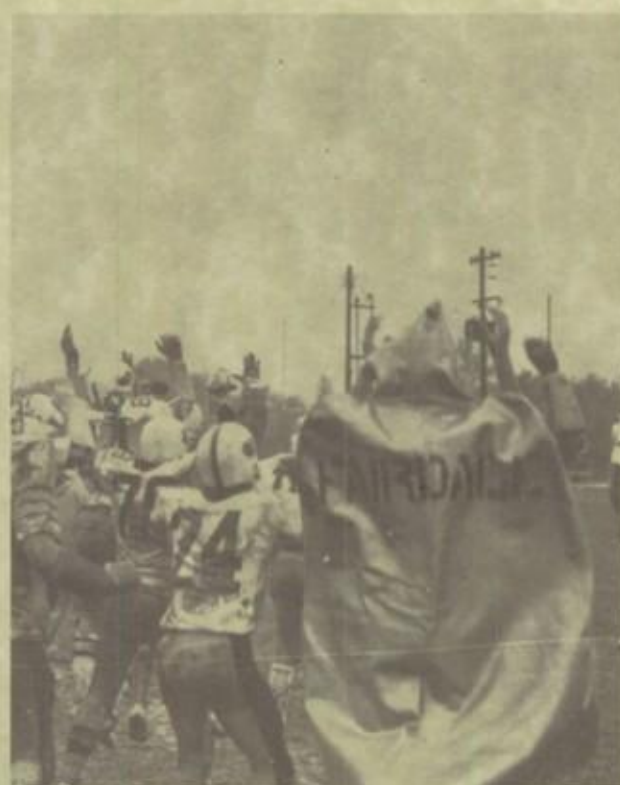

. . . both new and old . . .

. . . a year for spirit . . .

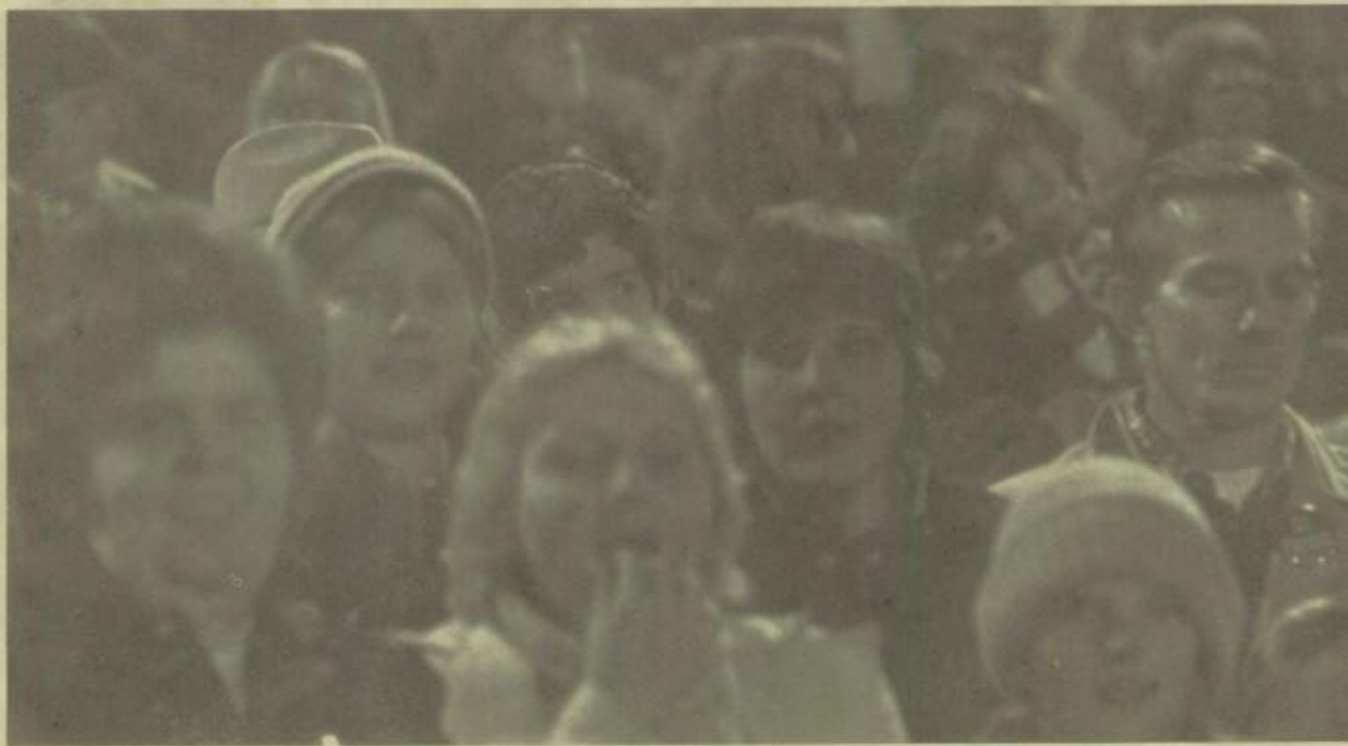

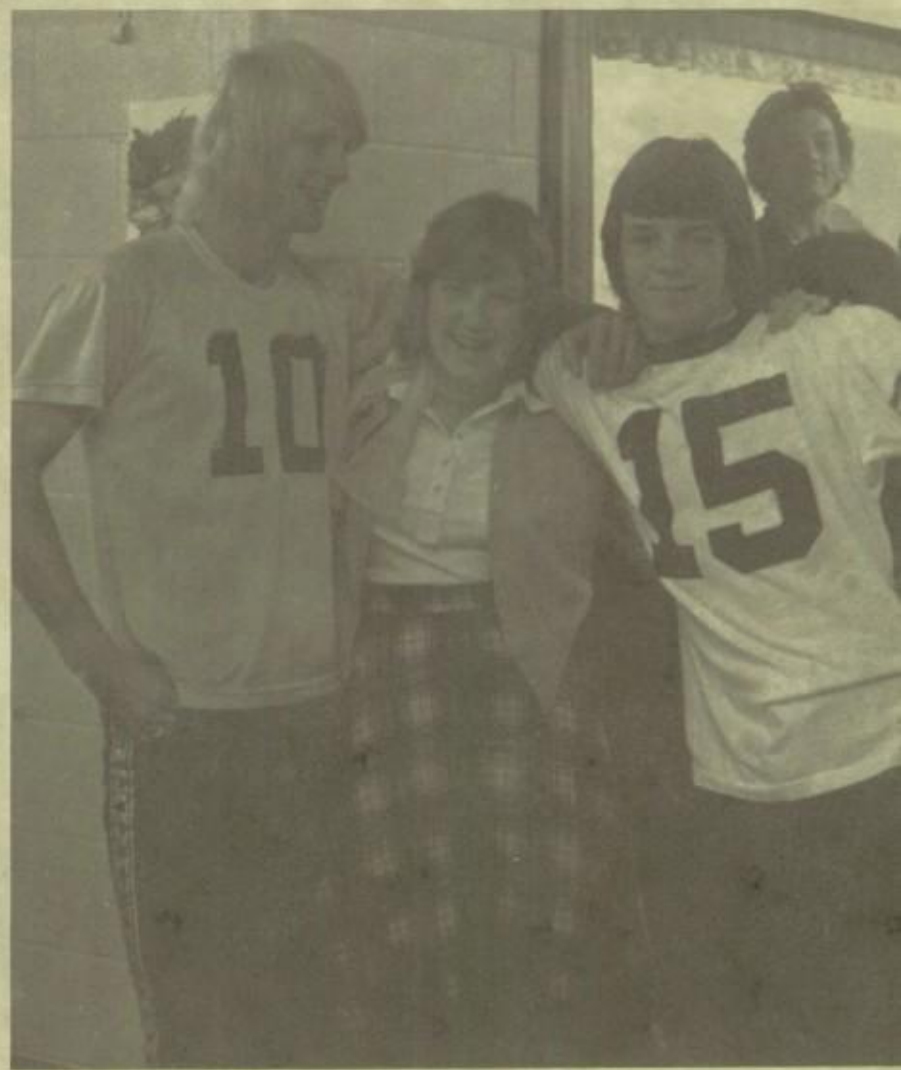

. . . and victory . . .

. . . a year for making friends . . .

Clara, Jaquita,
Yolanda and
Denise . . .
Rodney, Kim and
Danny . . . Jo and
Cheryl . . . the
Priddy family.

Remember when Charmaine bumped to the sounds of the Navy Jazz Band . . .

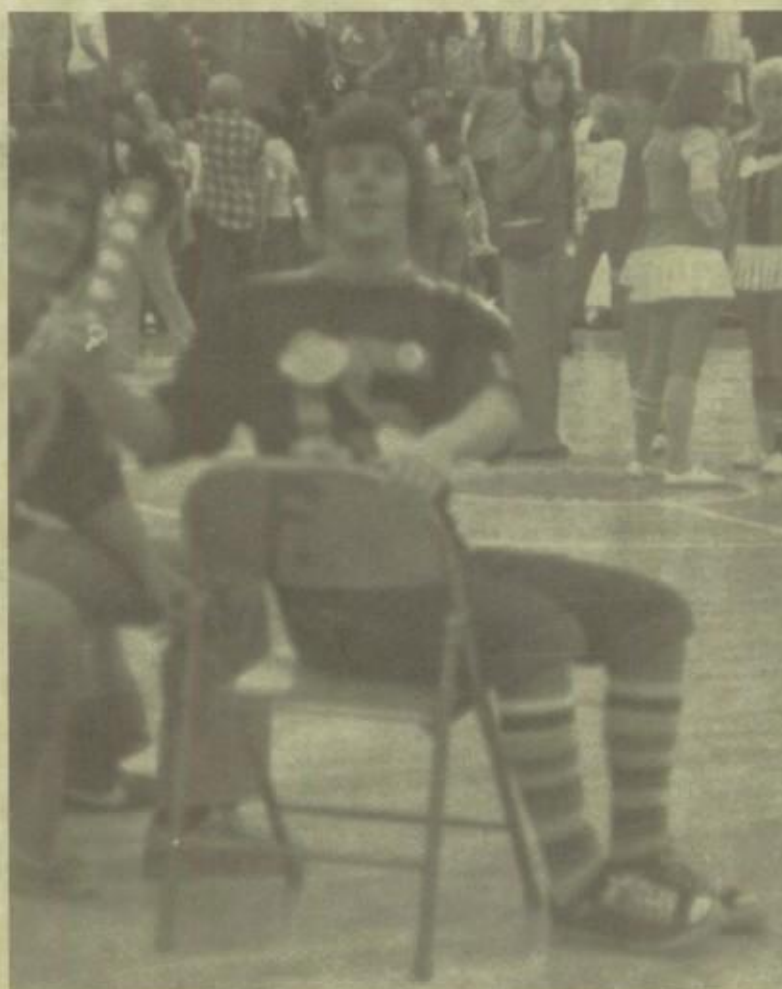

. . . and when we won the WAKY School Spirit Contest and a concert by Munch . . .

. . . and when Ronnie Beasley and David DeBerry led us in what became the team's theme song, "We are the Bulldogs, the mighty, mighty Bulldogs . . ."?

. . . and memories

. . .

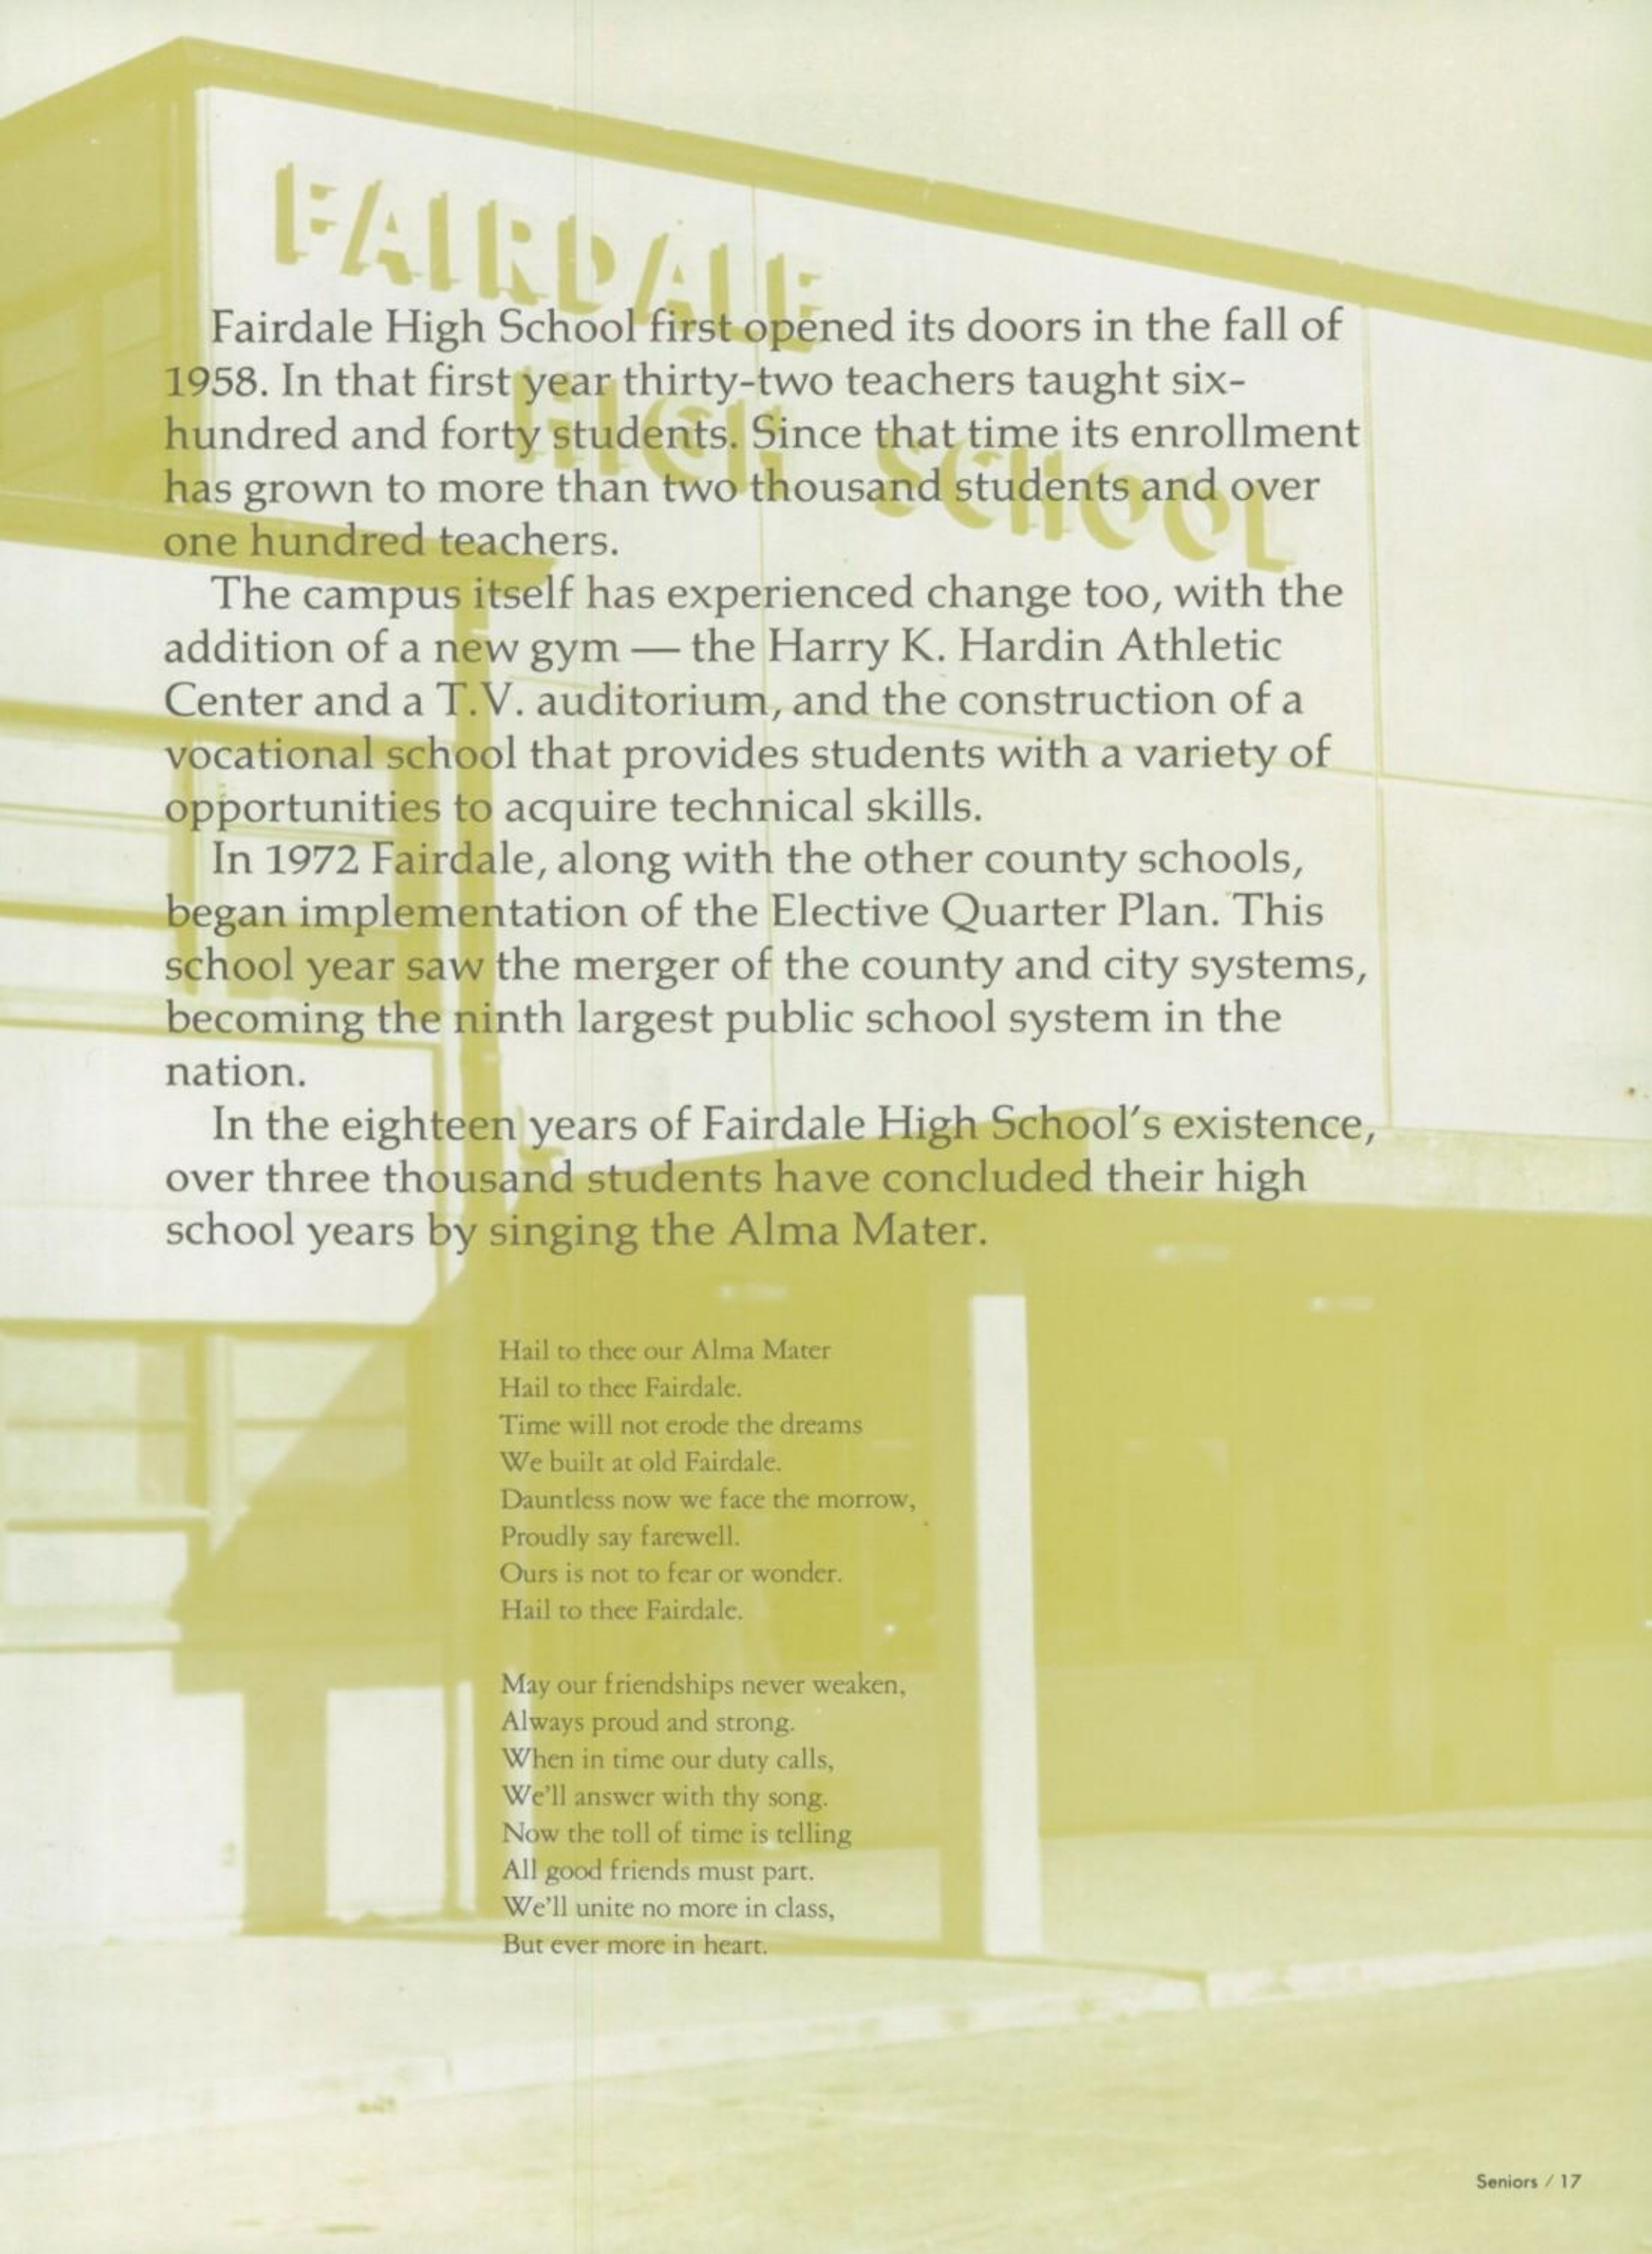

. . . a good year . . .

. . . a year worth
remembering.

FAIRDALE High School

Fairdale High School first opened its doors in the fall of 1958. In that first year thirty-two teachers taught six-hundred and forty students. Since that time its enrollment has grown to more than two thousand students and over one hundred teachers.

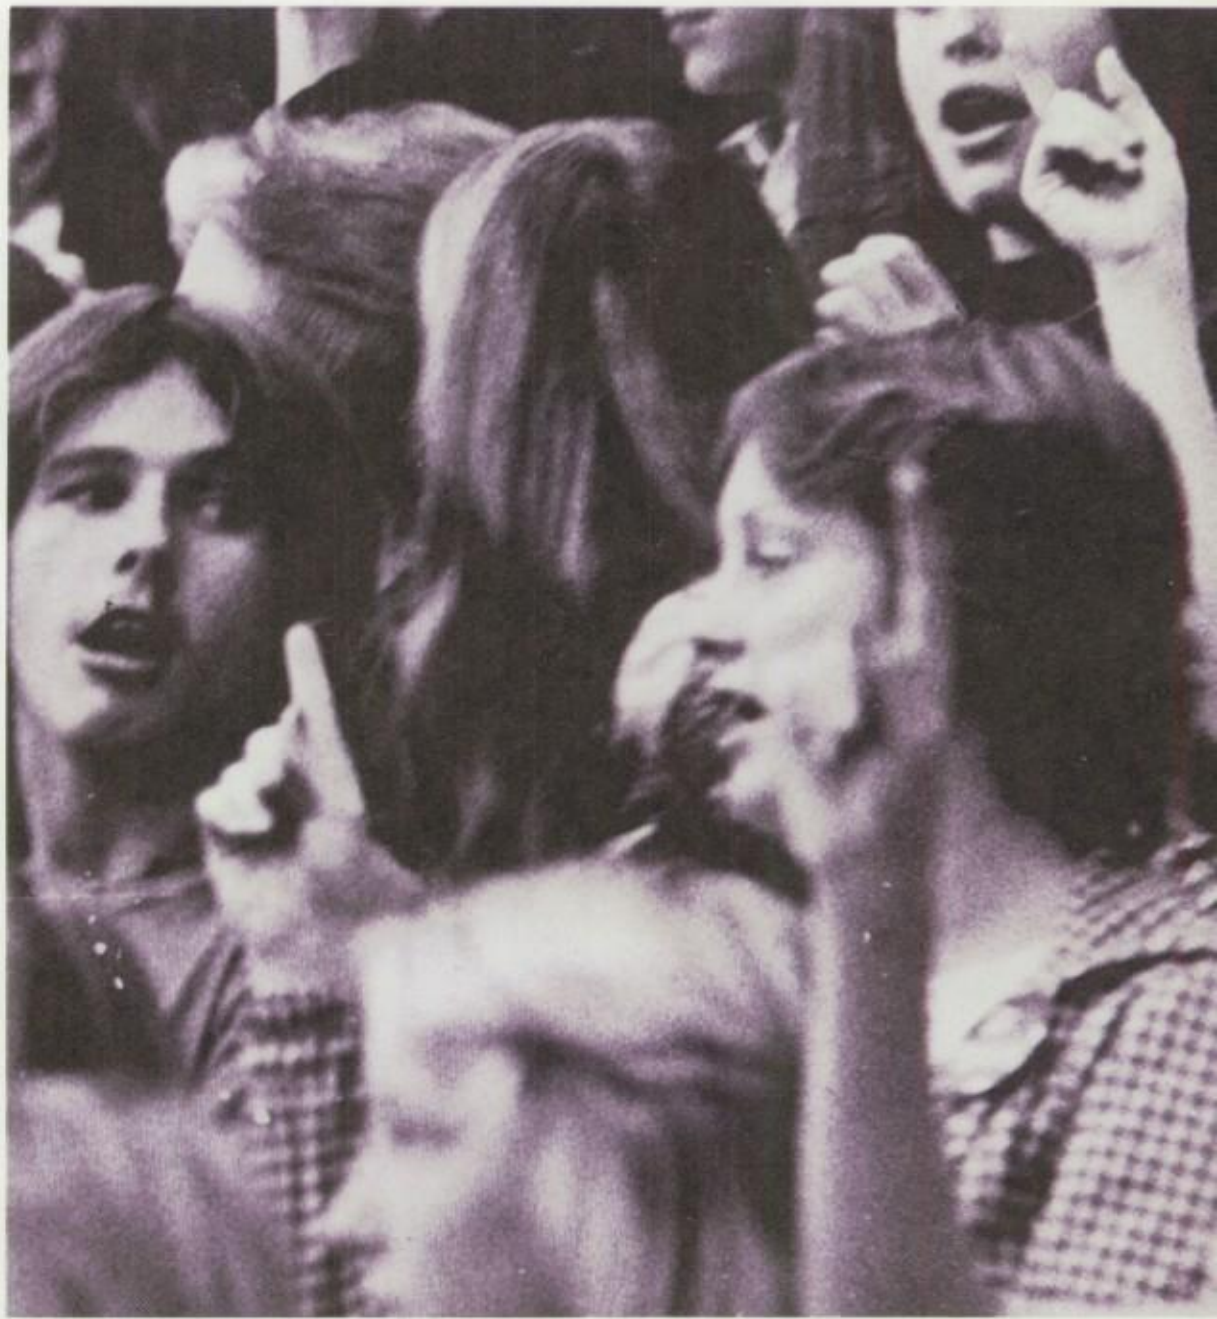

The campus itself has experienced change too, with the addition of a new gym — the Harry K. Hardin Athletic Center and a T.V. auditorium, and the construction of a vocational school that provides students with a variety of opportunities to acquire technical skills.

In 1972 Fairdale, along with the other county schools, began implementation of the Elective Quarter Plan. This school year saw the merger of the county and city systems, becoming the ninth largest public school system in the nation.

In the eighteen years of Fairdale High School's existence, over three thousand students have concluded their high school years by singing the Alma Mater.

Hail to thee our Alma Mater
Hail to thee Fairdale.
Time will not erode the dreams
We built at old Fairdale.
Dauntless now we face the morrow,
Proudly say farewell.
Ours is not to fear or wonder.
Hail to thee Fairdale.

May our friendships never weaken,
Always proud and strong.
When in time our duty calls,
We'll answer with thy song.
Now the toll of time is telling
All good friends must part.
We'll unite no more in class,
But ever more in heart.

The Bulldogs give Fairdale their best record ever . . .

After two disappointing seasons, the Bulldogs turned it around in '75 by playing their finest season ever. Undefeated after four games, they were ranked number one in State AAAA. They finished the regular season with an 8 and 3 record, taking the District in a playoff win over Durrett. Dreams of a state championship were shattered, however, in an overtime loss to Jeffersontown in the first round of the County playoffs. The Fairdale Bulldogs ended the season with a tenth place ranking, having led Jefferson County in total points scored.

Fairdale mudders rip valley

By CARTER PENCE

Courier-Journal & Times Staff Writer

Followers of the Racing Form sometimes take note of an asterisk denoting a horse that performs particularly well on an off track.

Should this practice be carried over to football, with a notation printed in a program beside a team that generally does well on a muddy field, one should be printed alongside Fairdale High.

"Our kids have confidence. They feel they can go on a wet field," said Fairdale coach Garland (Corky) Miller. "I've played three games on wet fields and scored 70 points."

On what surely would have been classified as a sloppy track, Fairdale scored those points yesterday afternoon at Fairdale field and handed Valley a 14-0 setback.

Valley should have been listed as a sloppy track. Its usually devastating run attack was limited to just nine yards. Powerful Randy Brooks, a senior running back, gained only 29 yards in three carries. Valley fumbled seven times.

There wasn't a bright spot on the field, said Valley coach Eddie Miller. "Our whole offense stunk. You can't win in this sort of weather but only not seven of them."

Valley fumbles contributed directly to two Fairdale scores. In the third quarter, with Fairdale ahead 7-0 on David Emerson's first-quarter score, Brooks fumbled a bad pitchout and cornerback Billy Graham recovered at the Valley 23-yard line.

Jeff Carter, a sophomore who replaced Rodney Rowe at quarterback after he was shaken up on Emerson's touchdown run, scampered around right end for a nine-yard gain on the next play. Daryl Fogle gained three more off tackle before Carter romped for the final 11 yards and the touchdown with 5:46 remaining in the third period. Fogle's second extra point of the day made it 14-0.

"Carter did a magnificent job," Miller said, noting this was the first time the sophomore had been in except for occasions when Fairdale held substantial leads. "He played like a champion."

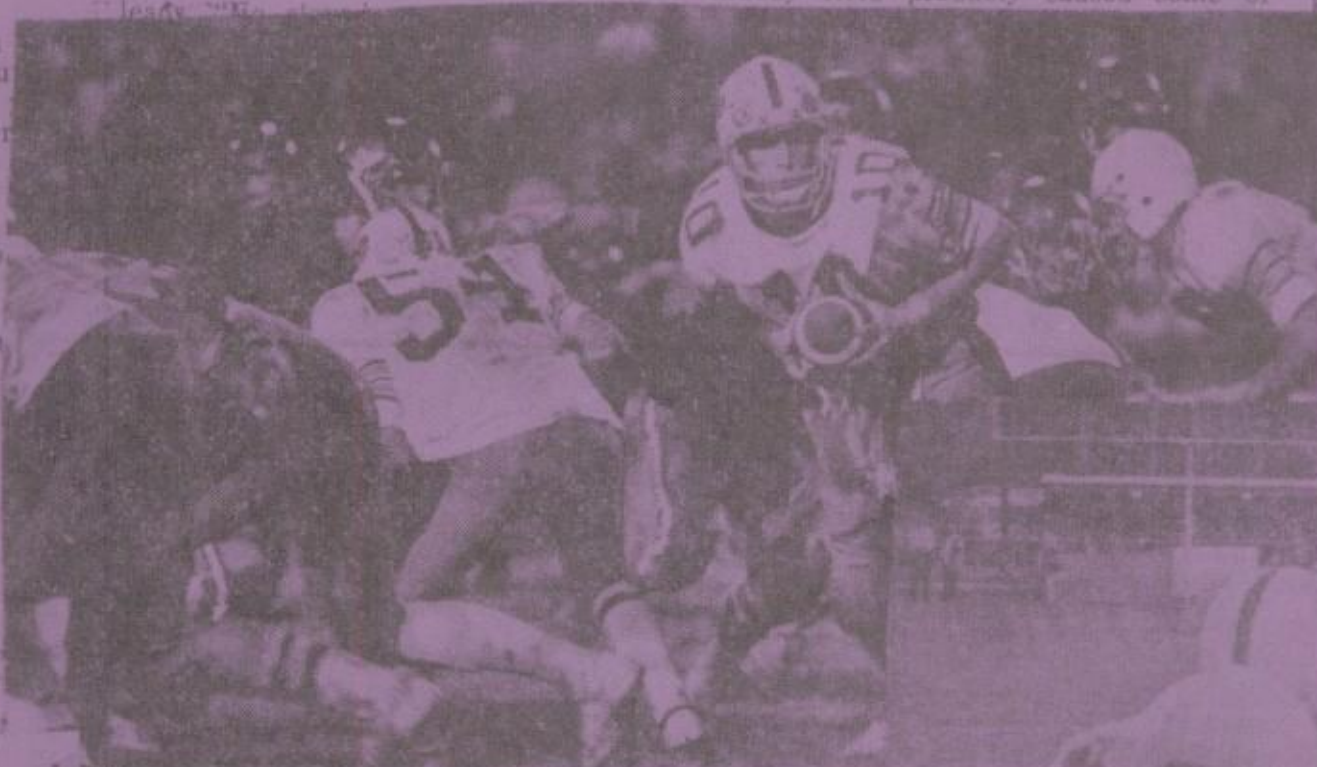

Miller said Rowe was just shaken up. "He got hit pretty good and was a little dizzy. The doctor said he was all right, but he didn't want to take any chances."

Late in the third quarter, Fairdale's James Richardson smacked Brooks, jarring the ball loose. Richardson snatched it out of the air and ran 39 yards for the final score.

Valley's only threat came late in the game after picking up a Fairdale fumble at the hosts' 29. Fred Shaw passed to Scott Beasy for nine yards then ran for four more.

But the Fairdale defense held the next two plays as time ran out.

"Our defense has been just great the last two weeks," Miller said. "I felt we could stop them if we executed well. The muddy field probably caused some of the problems."

Fairdale punts Stuart in first

Fairdale High kept its undefeated record alive for a title in the Jefferson County Conference Region with a 39-0 victory over Stuart last night.

Quarterback Rodney Fogle led the scoring attack with three runs of 41 and one yard. Fogle next Tuesday will lead Stuart to decide the regular season playoff. The Third District championship game will be played at Stuart's home.

Fogle scored all of the points. "We didn't play perfect in the second half," Fogle said. "But Corky Miller gave me a chance of any kind. I said 50 players and I'll be all of them playing in the game's leading role."

Fairdale's Rowe named All-County quarterback

to Ballard woes

After five games of their football season, Ballard had won three and lost two. Moreover, in game No. 5 it had upset Jeffersontown 24-7. Things were looking up.

But since that big victory over Jeffersontown, Ballard has yet to win. It suffered its fourth straight loss last night, falling 12-0 to Fairdale.

David Emerson scored twice for Ballard, going over on an 11-yard run and catching a 21-yard strike from Rodney Rowe. The pass from Rowe came with 3:26 left in the game and enabled Ballard to expand a shaky 13-12 lead to a final margin.

Rowe scored the other Fairdale touchdown on a one-yard run.

Ballard's TDs were chalked up to Darryl Hendrick and Bob Chrosniak. Ballard now boasts a 7-3 record while Ballard's record is 3-6 mark.

Fairdale conquers Durrett in key district skirmish

bounced back from two upset losses in a 16-0 loss on Durrett last night in District action of Class 4-A region.

"We had to win," said Fairdale coach Mike Miller. "The way I feel about the season, it's all up to the kids. If our kids play, they're gonna be hard

to beat. Fairdale now stands 1-0 in the district and 5-2 in all games. Durrett, on the other hand, slipped to 0-1 in the district and 2-4 overall. The losers have been in a slump in their last three games, having lost by only 3-0 over Butler 10-7 last week.

Fairdale had lost to Jeffersontown 22-0 two weeks ago and Westport 14-0

Friday. But Miller's club regrouped against Durrett and put together a solid effort.

Daryl Fogle kicked a 20-yard field goal to give Fairdale a 3-0 lead in the second quarter. Fairdale then broke the game open in the fourth period with a pair of touchdowns. David Emerson scoring on an 11-yard run and John Stallard on a 20-yard pass from Rodney Rowe.

Rowe and Speedy fly high over PRP

Rodney Rowe did the pitching and Jeff Speedy the catching as Fairdale High's football team outbit Pleasure Ridge Park 40-6 last night at PRP.

Rowe, a senior quarterback, and Speedy, a sophomore end, combined on scoring plays of three, 56 and 65 yards. Rowe, in fact, completed 11 of his 15 passes for 232 yards. Speedy's individual effort was almost as impressive. He was on the receiving end six times for a total of 150 yards.

David Emerson was Fairdale's leading rusher with 85 yards on 17 carries.

The game had been scheduled for Fairdale but was moved to Pleasure Ridge Park because of disturbances related to court-ordered busing.

There were no incidents during the game, but many spectators had trouble leaving afterwards. A crowd estimated at between 1,100 and 1,200 at the meet by school security guards jammed the front parking lot.

Fairdale athletic director George Gerschel said the school's black players did not come to the game because their new

Fairdale stomps Stuart!!!

On a foggy November night, the Bulldogs met the Stuart Spartans on their field in a game whose outcome would determine which teams would compete for the District Championship. By the end of the first half the Bulldogs led by a 39-0 margin. During the second half, the varsity starters remained on the sidelines to prevent injuries while the remainder of the team kept Stuart scoreless. This win qualified the Bulldogs to meet the Durrett Demons at Manual Stadium. That same afternoon Durrett had defeated the Southern Trojans and advanced to the County Regionals. The winner of the Durrett-Fairdale game would play the Jeffersontown Chargers for the County Championship.

Tempers flare between Fairdale and Stuart!

Six Point City!

Fairdale squared off against Durrett at Manual Stadium in a game to determine the District Three title. The Bulldogs jumped into the lead, scoring three quick TD'S. Durrett scored twice in the second quarter, but their drive to the title was repelled by two more Fairdale touchdowns. In a last ditch effort late in the fourth quarter, the Demons attempted a trick play, the Lonesome Polecat, only to have their pass picked off by D-Back Rick Deaton. The Bulldogs defeated the Demons 27-21 and advanced to the Regional playoffs where they would meet an old adversary, the Jeffersontown Chargers.

1976 Bulldog Staff

The BULLDOG staff is open to interested students from ninth through twelfth grades who can elect to take the yearbook course and who are willing to devote many after-school hours to the compilation of the book.

Planning for the upcoming yearbook begins during the spring quarter when the cover, end sheets, and theme are selected, but the actual work starts when school opens in the fall and continues steadily through the end of the winter quarter when, with a loud sign of relief, the staff mails off the final copy.

Even though getting a yearbook together is a hard job, the staff finds the hardest job of all is awaiting the arrival of the finished product sometime in early May.

Organized chaos is typical!

Future Homemakers of America

The Future Homemakers of America is a youth organization formed of students enrolled in home economics classes. We are part of the National Organization. F.H.A.'s purpose is to help youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation, and community involvement. Each member works on a degree; there are three: Junior, Chapter, and State degrees. After completing each, a certificate is awarded to them. The F.H.A. Chapter has an IMPACT project, which helps members design and carry through an in-depth project based on their concerns and interests. Our chapter IMPACT project is the sponsoring of a retarded child at Hazelwood Hospital, we visit and have parties for the patient there. Members may be able to attend Regional, State, and National meetings. A program of work is used throughout the year; we have planned, interesting meetings.

Junior Achievement

Junior Achievement allows students the opportunity to learn about the free-enterprise system through the construction of small-scale companies. Officers are elected, a board of directors is appointed, and a product is chosen for manufacture. Stock is then sold to interested individuals and production lines are set up. The finished product is sold at JA Trade Fairs. The companies are dissolved at the end of the year.

Fairdale High School is represented by three JA companies: American-Pride, manufacturers of dresser valets, hanging shelves, and string art; Glasco, producers of sand art; Quadco, makers of costume jewelry.

DECA identifies the program of youth activity relating to DE — Distributive Education Clubs of America — and is designed to develop future leaders of marketing and distribution.

DECA is the only national youth organization operating in the nation's schools to attract young people to careers in marketing and distribution.

Our purposes are: (1) to develop a respect for education in marketing and distribution which will contribute to occupational competence, and (2) to promote understanding and appreciation for the responsibilities of citizenship in our free, competitive enterprise system.

The Fairdale DECA chapter participates in the Regional Career Development Contest and the State C.D.C. There are around 33 different contest areas. State winners of contests sponsored by National DECA go on to the National C.D.C. and compete for top student in that area.

This year we have taken a turn toward the relations between the old and new students. Many of the members attended workshop meetings to learn how to handle certain situations and to be a leader.

We once again had the Student Exchange with other schools to better school relations. During the Christmas season, we made the food baskets and delivered them to families in need.

Though we haven't been able to accomplish all we have wanted to, we feel that we have helped this school year go along smoothly.

Charles R. Summers Principal

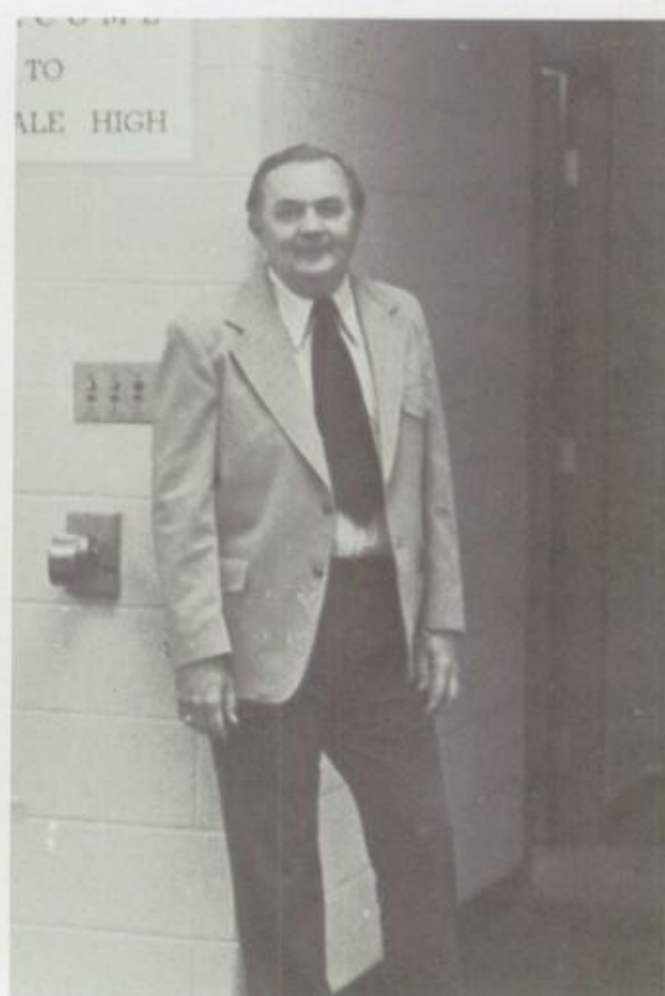

Congratulations to the yearbook staff and Mrs. Lyons for the production of the 1976 Bulldog.

In a year that has been filled with new experiences, your understanding and your leadership have greatly helped.

We of the faculty and administration trust that the knowledge and experiences that you have gained here will help in your future endeavors.

Fairdale High School P.T.A.

The Fairdale High School P.T.A. meets four times yearly. In October an Open House is held while the December meeting is a concert presented by the choir and band in celebration of Christmas.

Sponsoring the P.T.A. Calendar Girl Contest as a money-making venture allows the P.T.A. to contribute a fund for needy students and to award scholarships to two outstanding seniors each spring.

Services provided by the P.T.A. include administering hearing tests to junior high students and showing the cancer film to senior girls.

that it will always
remember. Remember all the
good times and forget the
bad. Remember the times we
brought food to school and ate it on the 3rd floor. Hope
you remember me. Lets stay friends forever.

JEWELRY'S FINEST CRAFTSMEN

A black and white photograph of the exterior of Limer's Key Market. The building has a large sign that reads "Limer's KEY MARKET" with a key logo. A white car is parked in front of the store. To the right, a large sign on the wall reads "LIMERS key MARKET" with a key logo. A hand-drawn blue letter "P" is visible in the top center of the image.

A black and white photograph of a single-story commercial building, likely a gas station or convenience store. The building features a prominent gabled roof with a large sign that reads "KEY". Below the roofline, there is a covered entrance area supported by several vertical pillars. A vintage car is partially visible in the foreground on the left side. The building has large windows and a sign that says "10" is visible in one of the windows. The overall scene is captured in a historical, slightly grainy black and white style.
